Hearing His Silent Words

Ignatius of Loyola

It is better to be silent and be,
than to talk and not be...

The person who is really
possessed of the word of Christ
can hear even his silence, so
that he may be perfect and may
act through what he says and
be known through his silence.

Nothing is hidden from the
Lord, but even our secrets are
near him.

So let us do everything with a
sense that he is dwelling within
us, so that we may be his
temples, and he be within us as
our God.
