The Calculation of Love

The mystery of One God, Father, Son and Holy Spirit, is not to be understood by calculation or even by clever thinking.

The logic of God's being goes well beyond our understanding, but we can understand it fully when we see that it is a logic of Love.

...which should surely be the basis of both our faith and our way of living? PC

TRINITY SUNDAY

CHORAL MASS

Processional Hymn: 191

Setting: Schubert in G

Collect Prayer

Almighty and everlasting God, you have given us your servants grace, by the confession of a true faith, to acknowledge the glory of the eternal Trinity and in the power of the divine majesty to worship the Unity: keep us steadfast in this faith, that we may evermore be defended from all adversities; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. **Amen**

A reading from Second Letter of Paul to the Corinthians

2 Corinthians 13.11-end

Finally, brothers and sisters, farewell. Put things in order, listen to my appeal, agree with one another, live in peace; and the God of love and peace will be with you. Greet one another with a holy kiss. All the saints greet you.

The grace of the Lord Jesus Christ, the love of God, and the communion of the Holy Spirit be with all of you.

This is the Word of the Lord. **Thanks be to God**

Gradual Hymn: 445

Listen to the Gospel of Christ according to Saint Matthew

Glory to you, O Lord Matthew 28.16-end

Now the eleven disciples went to Galilee, to the mountain to which Jesus had directed them. When they saw him, they worshipped him; but some doubted. And Jesus came and said to them, 'All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age.'

This is the Gospel of the Lord. **Praise to you, O Christ**
